BOOK SYNOPSIS

Prepare to journey into a captivating new world...that will remove you from reality as you know it! No matter where you are, facing your reality with passion and purpose will always lead down the path you were intended to go. While Reece Bryant is making her way through this world on her own, she is suddenly confronted with the truth of her existence, and the reality of her future. It is when she encounters two alluring and mysterious men, that a series of extraordinary events takes place, putting Reece's life in grave danger. With her life in the balance, Reece must blindly trust the two mysterious strangers; and when she does, she is brought into an enchanting world that is beyond her logical comprehension. This captivating land reveals new worlds and new dimensions to which her existence is paramount. But it is once she falls in love with the stunning Levi Oxley that everything will change, and Reece's life will be in more danger than ever before. Forced to return to Earth and face a Council of Worlds, Reece discovers there is more to this enchanting dimension than she could have ever imagined. At a moment's notice, even thru the fog of our denial, our journey can become crystal clear. And within the revelation, once our fear subsides, we can find contentment and purpose if we focus on the things that matter most. Trust—Courage—Love The Legacy of the Key is the first installment of S.L. Morgan's new fantasy romance novel. The romance in this novel is perfectly suitable for young adults, teens ages 13 and up. Categories Science Fiction Romance Young Adult Romance Fantasy Romance Paranormal Romance From the author I have always been an individual with a very vivid imagination. I love getting lost in books that transport you into their worlds with their characters. In October of 2011, I decided to create my own fantasy world and imaginary characters that would sweep the readers into an enchanting and mystical dimension. In order to create the storyline, I asked the question, "What if?" What if there were other worlds outside of life on Earth? What would those other worlds be like? Would they have an interest in Earth, if so would they desire to harm or protect it? Once I started answering these questions, the writing process began. The idea to interweave the super-natural worlds with seventeenth century England was inspired by love for historical romances. I decided to take the passion I have for reading a good, clean classic historical romance and interweave that with my years of watching, reading and loving sci-fi and fantasy novels. The result is this book, two of my favorite types of reading material, completely opposite of each other, interwoven together bringing to the readers what I consider to be...the best of both worlds.

AWAKENED GODS AND GUARDIANS BOOK 1 VOLUME 1 - Are you looking for Ebook Awakened Gods And Guardians Book 1 Volume 1 ? You will be glad to know that right now Awakened Gods And Guardians Book 1 Volume 1 is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Awakened Gods And Guardians Book 1 Volume 1 may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Awakened Gods And Guardians Book 1 Volume 1 and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Awakened Gods And Guardians Book 1 Volume 1 . To get started finding Awakened Gods And Guardians Book 1 Volume 1 , you are right to find our website which has a comprehensive collection of manuals listed.
