## BOOK SYNOPSIS

Get a plan to ace the exam—and make the most of the time you have left. Whether you have two months, one month, or even just a week left before the exam, you can turn to the experts at CliffsNotes® for a trusted and achievable cram plan to ace the GED—without ever breaking a sweat! First, you'll determine exactly how much time you have left to prepare for the exam. Then, you'll turn to the two-month, one-month, or one-week cram plan for week-by-week and day-by-day schedules of the best way to focus your study according to your unique timeline. Each stand-alone plan includes: Diagnostic test—helps you pinpoint your strengths and weaknesses so you can focus your review on the topics in which you need the most help; Subject reviews—cover everything you can expect on the actual written exam: Language arts, reading, writing, social studies, science, and mathematics; Full-length practice test with answers and detailed explanations—a simulated GED exam gives you an authentic test-taking experience; Test-prep essentials from the experts at CliffsNotes®. Make the most of the time you have left! 2 months to ace the test... 1 month to ace the test... 1 week to ace the test!
