BOOK SYNOPSIS

Here's a quick, portable, well-illustrated source on a full range of dermatologic conditions! Each chapter succinctly reviews the incidence, clinical features, differential diagnosis, management, and prognosis of a particular dermatologic condition, accompanied by 4 to 6 high-quality color clinical photographs. Readers will also find self-review picture tests, with answers, at the back of the book. The result is an ideal resource for exam preparation and a handy review for hospital rounds. Presents more than 325 full-color images that depict the real-life appearance of a broad range of dermatologic diseases and conditions. Features a consistent chapter design, with summaries of each condition's incidence, clinical features, differential diagnosis, management, and prognosis on left-hand pages and 4 to 6 illustrations on the facing right-hand pages. Offers a broad selection of review questions to help readers practice for exams and build confidence. Delivers a convenient pocket size for instant reference anywhere.
