## **BOOK SYNOPSIS**

Mesut Ozil is a midfield magician, casting an elegant spell over opponents and conjuring passes through gaps lesser mortals cant even see. After an eventful sojourn among the Galacticos of Real Madrid he has savoured silverware at Arsenal, while in 2014 he lifted the World Cup with Germany. But his life and career have been a test of resilience. Growing up in Germanys Turkish community, he faced prejudice from those who claimed his dual identity would prevent him giving his all for the national team. Later came questions over a different type of commitment, the kind levelled against those, like Mesut Ozil, who excel in footballs finer arts rather than relying simply on running and ruggedness. He has proved concerns on both these issues lack substance. In Gunning for Greatness, Mesut Ozil reveals the inside stories of his relationships with Jose Mourinho and Arsene Wenger, his quest to help the under-fire Frenchman restore Arsenals pre-eminence - and how he silenced the sceptics by conquering the world.
