BOOK SYNOPSIS

LEON Baking & Desserts is a gorgeously-packaged book from the successful, healthy fast-food restaurant chain LEON in Europe. Following LEON's founding principle that what tastes good can also do you good, three quarters of the recipes are sugar, dairy, wheat or gluten free - so there's plenty to indulge in even if you have a food allergy, an intolerance or one eye on your waistline. LEON Baking & Desserts is a two-part family cookbook, with one half devoted to everyday delights like granolas, cakes, breads, pizzas, and the second half, special occasion indulgences like flourless chocolate fudge cake, toffee apples, caramelized onion and olive tart, and plum ice-cream!
