BOOK SYNOPSIS

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, cant count the number of impressive women hes met over the years, whether its through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they cant figure out what makes men tick. Why? According to Steve its because theyre asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.
