BOOK SYNOPSIS

A beautiful young girl was walking down the street—when suddenly... Julia Carroll knows that too many stories start that way. Beautiful, intelligent, a nineteen-year-old college freshman, she should be carefree. But instead she is frightened. Because girls are disappearing. A fellow student, Beatrice Oliver, is missing. A homeless woman called Mona-No-Name is missing. Both taken off the street. Both gone without a trace. Julia is determined to find out the reasons behind their disappearances. And she doesn't want to be next... Michael Connelly calls Karin Slaughter "unrivaled among thriller writers." This gripping, unforgettable short story proves why. And be sure to order Karin's new novel, *Pretty Girls*, on sale September 29, 2015.
